BIO:

WAYNE PURCELL is entering his 12th season overall with Mountain View High School. He will be making the switch this year from Defensive Coordinator to coaching Wide Receivers. For the last 6 years Purcell has been a Defensive Coordinator. He helped build the Cougar defense into one of the top defenses in the state, allowing the fewest points scored in Oregon 5a football during the 2009 season.

Purcell played college football at Palomar College in San Marcos, California where he was a two-time honorable mention all league Receiver. Palomar led the nation in passing during his tenure. He received his bachelor's degree in business economics from the University of San Diego.

He has 16 years of coaching experience at the high school level and 80% of the teams he has coached have reached the state playoffs, including 5 quarterfinal and 2 state semifinal teams.

When he's not coaching football, Purcell is the General Manager and Managing Partner of the Riverhouse Resort and River's Edge Golf Course in Bend, and has been married to his wife Cheri for more than 22 years.
